THINGS WE THOUGHT YOU SHOULD KNOW

We're sure that you've noticed that we like to do everything out in the open. Our kitchen, prep area and even our noisy dish area.

We hope you like the open "don't hide anything" approach that we take here at The Classic Cafe.

Our goal is to always provide our guest with fresh ingredients, a clean restaurant, great service, and meals prepared the way you ordered them. We try our best to get everything perfect, but if we fall short or fail to meet your expectations, please let us know and we will do everything we can to get it right.

Although we try to get your orders to you as quickly as possible. Doing it right sometimes takes time.

MORE THINGS YOU SHOULD KNOW..

The Way of the Egg

(We cook our eggs in egg pans)

OE = Over Easy: Both the whites and the yolks are served runny!

OM = Over Medium: Just the yolks are served runny.

OMW = Over Medium Well: Everything cooked mostly throughout.

OW = Over Well: Cooked completely throughout.

OH = Over Hard: Broken yolks cooked throughout.

SCR = Scrambled: Mixed together well and cooked throughout.

SCR SOFT = Scrambled Soft: Mixed together well and cooked runny!

SCR Well = Scrambled Well: Mixed together well and cooked until brown.

PO = Poached: In a pot of boiling water we add just a dash of vinegar and drop in your unshelled egg in until they are cooked medium.

(Folks get em this way to avoid any oil)

The Way of the Cow

(Burgers or Steaks)

Rare:

Seared then served bloody and cold in the center.

Medium Rare:

Grilled and served still red and cool.

Medium:

Grilled until warm and just a little pink.

Medium Well:

Cooked throughout but not too dry.

Well = Burn One:

Cooked throughout no moisture left, a dry tasteless piece of leather.

Sauces & Gravy

Hollandaise:

Egg yolks, butter, lemon juice and spices.

Country Gravy = White Gravy:

Ground sausage, milk, roux (**butter & flour**) and seasonings.

EVEN MORE TO KNOW...

Potato Cakes:

Garlic mashed potatoes with onions, cream, butter, cheddar cheese & seasonings.

Home-fries: Seasoned sliced potatoes grilled golden brown.

Hash-browns: Seasoned shredded potatoes grilled golden brown.

Grits:

Made from ground hominy. We use white and yellow hominy butter and spices.

Now, a better question would be, "what the heck is hominy"? Hominy is the dried kernel of corn, after the hull & germ have been removed.

B&G: Buttermilk Biscuits covered with Country Gravy.

Hash:

Thin sliced and diced corned beef, diced potatoes, minced onions, potato cake mix and seasonings. Ours is homemade!

Adam & Eve on a Raft:

2 poached eggs on toast.

White Bean Salsa:

White Beans, tomatoes, diced onions, roasted whole kernel corn, cilantro, habanero peppers, lime juice & seasonings.
